Dear Mary Jo,

We just wanted to tell you how much we appreciate all of your help in finding our space. We searched for about a year and you never gave up on us. We thank you for all of your time, help, and friendship. We are delighted on finally finding the right space for us with your help. We are really grateful for all of your time and effort. We could not have found this and negotiated exactly what we wanted without your help. Anybody that we know or hear needs space we will send them directly to you.

Sincerely,

Rodi and Tatyana Liv
