RE: Columbine Engineering, Inc. Office Space

Dear Eric:

Just a note to let you know how much we appreciate the good work and quality customer service that you personally provided me and my partners at Columbine Engineering. We were in search of office space and had blindly looked at a few locations.

You not only found us a number of attractive office space option, you were also instrumental in negotiating favorable lease terms. You were terrific from start to finish. We will work with Sheldon Gold Realty again when the need arises.

For those of you reading this Letter of Recommendation, Eric Gold knows his business, he understands the need to educate his clients and he takes the time to understand his customers' needs.

Sincerely,
COLUMBINE ENGINEERING, INC.
