SUBJECT: LETTER OF RECOMMENDATION

Dear Eric:

I want to thank you and Dan Arizumi for your outstanding efforts in assisting us in the sale of the Parker Park office building. You represented a challenging asset in a very difficult economy; and you both delivered by selling the property for a price that fell within the price range you had advised us on, and closed within the timeframe you had promised. Your and Dan's efforts throughout the process were instrumental in allowing us to achieve our sales objective.

I highly recommend you and your firm to anyone who has a need for your services. I hope to have the opportunity to work with you again soon!

Sincerely,
HASELDEN CONSTRUCTION, LLC
