RE: Matt Kulbe at Sheldon Gold Realty, Inc.

To Whom It May Concern:

This February, we utilized the services of Matt Kulbe of Sheldon Gold Realty, Inc. to relocate our office from the Denver Tech Center to the Colorado Boulevard corridor North of I-25. He found above average office space and assisted us in negotiating a favorable lease. He did not waste our time showing us properties that did not meet our criteria. He promptly and effectively assisted us in relocating. I would highly recommend him to any business looking at relocating. Instead of viewing a parking lot every day from my office window. I am now looking out of the southwest corner office for \$0.50 less per square foot.

Very truly yours,

Michael T. Meurer
