Dear Mr. Sheldon Gold

We want to thank you for taking care of our renewal with our current landlord. It was a very smooth and effortless process. From the moment we contacted you until the signing of the lease we were able to concentrate on our business instead of the details of this renewal. We truly appreciate you going to bat for us and getting us the best possible deal available and saving us money on our monthly rent.

It was a pleasure working with you and your firm. We look forward to working with you again in the future and also if we have business contacts within the industry we would be happy to be able to recommend you.

Regards

Andrew Gottschalk
