To whom it may concern,

We contacted Eric Gold of Sheldon Gold Realty to help us find a location to our suiting. We looked at many offices and spoke to many leasing managers. Eric was on our side the whole way through, as we deeply appreciate his involvement and knowledge in the area of commercial real estate.

We were able to find a great location, with all we need, and we negotiated an acceptable lease for all parties involved.

Eric was always on time, polite, professional, and guided us into making the right decision.

I would not hesitate in referring him again or using him should we ever have need of his services.
